Thanks, Felicia! Not to worry. I know that the paperwork piece can be frustrating. I'll touch base with Macara tomorrow, but I'm happy to work with both OW and OITA as appropriate as the paperwork is finalized. Should we still keep our call to touch base on the calendar for Monday morning?

Hi Karen,
Yes to your question.

I didn't have a chance to call you yesterday--Please know that I received a message on Monday that the Cinn office Shared Service Center said that they could not process the paperwork, and they are pushing your start date to Aug 3. Even then, they would not provide a firm commitment of that as a start date. I am very frustrated.

We had discussed that you begin working with us before your start date, so let's go ahead and start announcing the detail, and sharing work as appropriate. We are happy to announce at the TPM, but I just can't provide a firm official start date. Once we have a start date, the announcement by email will go out. Thank you for providing a summary to use!

Felicia

Hi Felicia,

On today's TPM call during the program updates, would it be okay for me to let the TPMs know that I'll be going on detail and to introduce Kate Graf, who will be taking up the lead for the tribal program during the detail?

Thanks,
Karen
